SECTION 1. IC 4-21.5-3-7, AS AMENDED BY P.L.222-2005, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 7. (a) To qualify for review of a personnel action to which IC 4-15-2 applies, a person must comply with IC 4-15-2-35 or IC 4-15-2-35.5. To qualify for review of any other order described in section 4, 5, or 6 of this chapter, a person must petition for review in a writing that does the following:

- (1) States facts demonstrating that:
  - (A) the petitioner is a person to whom the order is specifically directed;
  - (B) the petitioner is aggrieved or adversely affected by the order; or
  - (C) the petitioner is entitled to review under any law.
- (2) Includes, with respect to determinations of notice of program reimbursement and audit findings described in section 6(a)(3) and 6(a)(4) of this chapter, a statement of issues that includes:
  - (A) the specific findings, action, or determination of the office of Medicaid policy and planning or of a contractor of the office of Medicaid policy and planning from which the provider is appealing;
  - (B) the reason the provider believes that the finding, action, or determination of the office of Medicaid policy and planning or

(C) with respect to each finding, action, or determination of the office of Medicaid policy and planning or of a contractor of the office of Medicaid policy and planning, the statutes or rules that support the provider's contentions of error.

Not more than thirty (30) days after filing a petition for review under this section, and upon a finding of good cause by the administrative law judge, a person may amend the statement of issues contained in a petition for review to add one (1) or more additional issues.

(3) Is filed:

(A) **if with respect to** an order described in section 4, 5, 6(a)(1), ~~or 6(a)(2)~~, **or 6(a)(5)** of this chapter, with the ultimate authority for the agency issuing the order within fifteen (15) days after the person is given notice of the order or any longer period set by statute; or

(B) **if with respect to** a determination described in section 6(a)(3) or 6(a)(4) of this chapter, with the office of Medicaid policy and planning not more than one hundred eighty (180) days after the hospital is provided notice of the determination.

The issuance of an amended notice of program reimbursement by the office of Medicaid policy and planning does not extend the time within which a hospital must file a petition for review from the original notice of program reimbursement under clause (B), except for matters that are the subject of the amended notice of program reimbursement.

If the petition for review is denied, the petition shall be treated as a petition for intervention in any review initiated under subsection (d).

(b) If an agency denies a petition for review under subsection (a) and the petitioner is not allowed to intervene as a party in a proceeding resulting from the grant of the petition for review of another person, the agency shall serve a written notice on the petitioner that includes the following:

(1) A statement that the petition for review is denied.

(2) A brief explanation of the available procedures and the time limit for seeking administrative review of the denial under subsection (c).

(c) An agency shall assign an administrative law judge to conduct a preliminary hearing on the issue of whether a person is qualified under subsection (a) to obtain review of an order when a person requests reconsideration of the denial of review in a writing that:

C  
o  
p

- (1) states facts demonstrating that the person filed a petition for review of an order described in section 4, 5, or 6 of this chapter;
- (2) states facts demonstrating that the person was denied review without an evidentiary hearing; and
- (3) is filed with the ultimate authority for the agency denying the review within fifteen (15) days after the notice required by subsection (b) was served on the petitioner.

Notice of the preliminary hearing shall be given to the parties, each person who has a pending petition for intervention in the proceeding, and any other person described by section 5(d) of this chapter. The resulting order must be served on the persons to whom notice of the preliminary hearing must be given and include a statement of the facts and law on which it is based.

(d) If a petition for review is granted, the petitioner becomes a party to the proceeding and the agency shall assign the matter to an administrative law judge or certify the matter to another agency for the assignment of an administrative law judge (if a statute transfers responsibility for a hearing on the matter to another agency). The agency granting the administrative review or the agency to which the matter is transferred may conduct informal proceedings to settle the matter to the extent allowed by law.

After the ~~hearing~~ **meeting**, the department shall revoke or suspend the license if the department finds that:

department in refusing to grant a license had these facts or conditions been known to exist at the time the application for the license was made.

(2) Except as provided in section 503.5 of this chapter, no revocation or suspension of a license is lawful unless prior to institution of proceedings by the department notice is given to the licensee of the facts or conduct which warrant the intended action, and the licensee is given an opportunity to show compliance with all lawful requirements for retention of the license.

(3) If the department finds that probable cause for revocation of a license exists and that enforcement of this article requires immediate suspension of the license pending investigation, the department may, after a **hearing meeting with the licensee** upon five (5) days written notice **to the licensee**, enter an order suspending the license for not more than thirty (30) days.

(4) Whenever the department revokes or suspends a license, the department shall enter an order to that effect and forthwith notify the licensee of the revocation or suspension. Within five (5) days after the entry of the order the department shall deliver to the licensee a copy of the order and the findings supporting the order.

(5) Any person holding a license to make consumer loans may relinquish the license by notifying the department in writing of its relinquishment, but this relinquishment shall not affect the person's liability for acts previously committed.

(7) The department may reinstate a license, terminate a suspension, or grant a new license to a person whose license has been revoked or suspended if no fact or condition then exists which clearly would have justified the department in refusing to grant a license.

(8) If the director:

(a) has just cause to believe an emergency exists from which it is necessary to protect the interests of the public; or

(b) determines that the license was obtained for the benefit of, or on behalf of, a person who does not qualify for a license;

the director may proceed with the revocation of the license under IC 4-21.5-3-6.

The department shall determine the sufficiency of the records and whether the licensee has made the required information reasonably available. The department shall be given free access to the records wherever located. (2) Every licensee shall file with the department a composite report as required by the department, but not more frequently than annually, in the form prescribed by the department relating to all consumer loans made by the licensee. The department shall consult with comparable officials in other states for the purpose of making the kinds of information required in the reports uniform among the states. Information contained in the reports shall be confidential and may be published only in composite form. The department may impose a fee ~~of five dollars (\$5)~~ **in an amount fixed by the department under IC 28-11-3-5** for each day that a licensee fails to file the report required by this subsection.

  - (b) has been convicted of **or pleaded guilty or nolo contendere to a felony related to the licensee's activities; involving fraud, deceit, or misrepresentation under the laws of Indiana or any other jurisdiction;**

(c) the creditor receives directly or indirectly under any policy of insurance a gain or advantage not prohibited by law.

(b) the insurance terminates prior to the end of the scheduled term of the insurance because of prepayment in full or otherwise.

(4) A refund or credit required by subsection (3) is appropriate as to amount if it is computed according to a method prescribed or approved by the insurance commissioner or a formula filed by the insurer with the insurance commissioner at least thirty (30) days before the debtor's right to a refund or credit becomes determinable, unless the method or formula is used after the insurance commissioner notifies the insurer that it is disapproved.

Loans made upon security of real estate are subject to the following restrictions:~~

- (A) Real estate loans in which no principal amortization is required shall provide for the payment of interest at least annually and shall mature within five (5) years of the date of the loan unless extended and shall not exceed fifty percent (50%) of the fair cash value of the real estate used as security.

(6) A credit union may participate with other financial institutions in making loans to credit union members and may sell a participating interest in any of its loans. However, the credit union may not sell more than ninety percent (90%) of the principal of participating loans outstanding at the time of sale.

- (i) (A) subdivisions (2) through (6); or
- (ii) (B) subdivision (7);

but not both. A credit union shall make an initial determination as to whether to make a loan under subdivisions (2) through (6) or under subdivision (7). If the credit union determines that a loan or category of loans is to be made under subdivision (7), the written loan policies of the credit union must include that determination. A credit union may not combine the terms and conditions that apply to a loan made under subdivisions (2) through (6) with the terms and conditions that apply to a loan made under subdivision

(7) to make a loan not expressly described and authorized either under subdivisions (2) through (6) or under subdivision (7).
